REMARKS

Sir:

In the *Ex parte Quale* Action dated August 28, 2003, the Examiner requested Applicant to submit a new sequence listing to include an nucleotide sequence that is disclosed in the current application but not referred to in the originally submitted sequence listing. In compliance with the Examiner's request, a new sequence listing is hereby submitted, together with a statement made under 37 CFR § 1.825, certifying that the substitution sequence listing is fully supported by the specification and does not introduce any new matter.
